Re: Métis Foster Child SS

Members and Partners,

The BC Métis Federation is disappointed by the recent decision by the BC Supreme Court regarding Métis foster Child SS. We are sharing and revisiting the decision in its entirety. BCMF is working closely with the Métis family to appeal the decision which will be heard on Monday, February 29, 2016 at 9:30am at the Court of Appeal in Vancouver (on either the 5th, 6th, or 7th floor in one of the rooms).

We ask members to attend and join BCMF in our fight to keep the Métis child with her Métis foster family. We continue to question the Constitutional Rights of our Métis people and our rights to protect the interests of our Métis children in this case. We believe this hasn't been taken into full consideration.

Thank you
Keith Henry
