FEDERATION

Consultation Office

2017 AGM Presentation
Kelly Davison

Mission

To facilitate and support meaningful participation of grassroots BC Métis Federation members in major development decision in BC.

Vision

Equity for our members in terms of voice, benefit, and ability to participate meaningfully.

Strategy

A central support and coordination department that is collaborative and multiorganizational that gathers and communicates data from individual members through low-cost avenues (i.e. surveys).

Marketing/Visibility

The intent behind our marketing and visibility strategy is to promote and maintain strong centrality to the Federation. We therefore use the BC Métis Federation website, blog, Facebook and email list serve, and marketing approval rests with the board.

Focus

There is a balance between advocacy and potential benefits.
