HEAVY DUTY MECHANIC

Acres Enterprises has an over 40-year history in general, industrial, and civil construction in B.C. With its headquarters in Kamloops, and a newly established office in Kelowna, Acres' work extends from the interior to the northern regions of the province. We work in partnership with our clients and are driven by our commitment to quality. **The Acres difference is in our people, process, and technology.** Our talented team of professionals, with varied subject matter expertise, can take a project from concept to completion. With over 600 years of combined construction experience and the use of cutting-edge technology, Acres is committed to bringing our clients' projects to market on time, on budget, and at the highest quality.

JOB TYPE: Full-time, Permanent

THE ROLE:

Assist in the service, repair, and troubleshooting of equipment.

RESPONSIBILITIES:

- Perform necessary services, repairs, and diagnose equipment breakdowns as required.
- Maintain maintenance procedures for all heavy-duty construction equipment, small tools and other related equipment, including fleet of: off road haul trucks, excavators, crawlers, roller packers, dozers.
- Manage and maintain maintenance documentation as it relates to status of equipment, fleet and tools.
- Establish and implement repair procedures on large and difficult projects.
- Provide estimated budget needed for shop supplies and equipment as well as monitor spending to align with budget.
- Recommend potential procurement requirements or opportunities.
- Work effectively with multiple suppliers and field personnel and coordinate projects with in-house welders.
- Perform regular quality control checks.
- Perform daily duties in a safe and efficient manner in our fast-paced environment.
